

# ABCC-RATS

UPDATE BULLETIN-

## **EXPOSED-**

This weeks No 1 Rat is *...worker named....* now known as *...woman worker's married name given...* as she married that dumb f\*\*k head *...husband named....* This little piece of shit who hates construction workers and is well know as being anti-union loves making false statements and telling lies so construction workers can be charged as her face book will tell you she hangs around pole dancers and one day hopes to be one. This *...female worker named ...* rat lives in a rat hole at *... gives her home address ph ... gives private home phone number...*

She has now been exposed for the rat that she is and where ever she goes from now on she will be ruined as will anybody else that works for the ABCC-RATS taskforce.

No one can help these rats now there secret lives are f\*\*ked we will expose all rat taskforce dogs forever.

**Remember - GOD FORGIVES, THE BUILDING INDUSTRY DOESN'T More Rats exposed**

**Bonus This Week -**

*...another worker named... real name ...worker's first name given... couldn't make it catching crims so thought building workers were easier targets this dog lives at ...gives worker's private home address... and is on stress leave. Remember ...worker's name...*

**we will never forget what you did** Next month more rats exposed and there [sic] personal details published And a list of all the people who have given up construction workers to the ABCC and all there [sic] personal details. Lets see how they enjoy being exposed as give ups to the whole world.

**WARNING -**

To all the dogs **out there remember when you pick up the phone to the ABCC-rats we will know about it .....** **And who will protect you when the rats can't even protect themselves.....**
